

Promote your Brand.

Support your community.

The St. Patrick Catholic School Fun Fair is the primary fund raiser for our school. St. Pat's serves local families in the southern Clearwater, greater Largo and northern Seminole area.

As a private school, operations are paid entirely from student tuition, support from the local parishes and generous donations.

In addition to funding the general operation of the school, fundraising also supports scholarships issued to the lower income families in our area allowing our school to reach out to many families that would otherwise never have the opportunity for a Catholic education.

St Patrick's Fun Fair Sponsorship Packages

It's opening night of the area's favorite Fall Fair. Local residences have already lined up to purchase tickets, the night is illuminated with the lights and sounds of the midway carnival rides, your senses are overwhelmed with the aroma of hotdogs and popcorn drifting through the air. The PA cracks to life....

"Ladies and Gentlemen, Boys and Girls— Welcome to St Patrick's Annual Fun Fair".

What better way to advertise to local residences and potential customers than putting your brand in front of them in a festive setting.

Everybody loves a Fair!

Thousands of patrons will pass through the fair over the four day run, all local

residences of our community. Don't miss your chance to reach out to these potential customers.
